
MINING INDUSTRY SCHOLARSHIPS

Geology - Mining - Metallurgy - Engineering

The Canadian Mineral Industry Education Foundation is supported by most of the principal mining companies in Canada with the objective of offering scholarships to students attending Canadian universities who have a genuine interest in being employed in the mining industry. **Scholarships will be awarded in May 2022 to students who will be attending university in September 2022.**

ELIGIBILITY:

To be eligible, applicants must meet the following requirements:

1. Be a Canadian citizen or landed immigrant in Canada.
2. Have successfully qualified to enter in September the second, third or fourth year of a degree course in disciplines related to the mining industry at a Canadian university as a full-time student.
3. Consideration will be given to the applicants' past work experiences in the mining industry.

TO APPLY:

1. Complete this application form in full. If more space is required, attach separate sheets.
2. Forward the **completed form**, along with **official transcripts of academic record or an unofficial transcript signed and dated by the Registrar**, including your **résumé (CV)** and a **letter outlining your career aims and objectives by EMAIL, scanned in PDF format, to:**
